Dear Prof. Doru Vladimir Puscasu,

I would like to thank you for your invitation to attend the Conference Consilox 12, which left a deep impression on me in terms of the scientific level and high-quality presentations. For me, this is 4 times to participate in the Consilox conferences and every time I am surprised with better and better technical and scientific organization of the conference.

I wish that you continue in the future to organize such a successful Consilox conference.

With respect,

Prof. Dr. Rer. Nat. Branko Matovic
